

The following actions were taken by the Academic Senate Santa Cruz Division at its special meeting on October 19, 2009.

The following resolution on furlough days was passed by voice vote.

A. AS/SCP/1612

Be it resolved:

Whereas the excellence of the university has been well served by the core constitutional principles of shared governance; and whereas the core functions of research and teaching—are properly the purview of faculty; and whereas the Academic Council voted unanimously for furlough days on days of instruction; and whereas the Provost Pitts memo of August 21st takes away from local campuses the authority to determine furlough days; and whereas that memo contravenes principles of shared governance, therefore be it resolved, that the Academic Senate of UCSC hereby informs UCOP that the UCSC Academic Senate shall determine when furlough days may be taken by UCSC faculty.
