TO: Senate Chair Blumenthal

FROM: The Graduate Council
Quentin Williams, Chair

RE: WASC Report

The Graduate Council at its meeting of March 14, 2002 reviewed the draft WASC Report prepared by a task force under the direction of VPDUE Goff. The Council did not have any additional recommendations and is confident that graduate concerns were satisfied by the GC Chair's participation on the task force and the report's explicit focus on quality graduate growth for the accreditation review period.
