RE: Second Systemwide Review of Proposed Revisions to Senate Regulation 478 (IGETC)

Dear Robert,

The Santa Cruz Division of the Academic Senate has completed its review of the proposed revisions to the second round review of Senate Regulation 478, Intersegmental General Education Transfer Curriculum (IGETC) with the Committees on Affirmative Action and Diversity (CAAD), Admissions and Financial Aid (CAFA), and Educational Policy (CEP) responding. Our division appreciates our suggestions from the fall review being addressed and incorporated. Overall, all of the committees reiterate their support for the development of a standalone IGETC Area 7, to ensure the direct alignment between CSUs and UCs, providing more accessibility and equity for transfer students.

Sincerely,

A handwritten signature in cursive script that reads "David Bandy".
