Research Workshop

John MacMillan, VCR

UC SANTA CRUZ

Office of Research

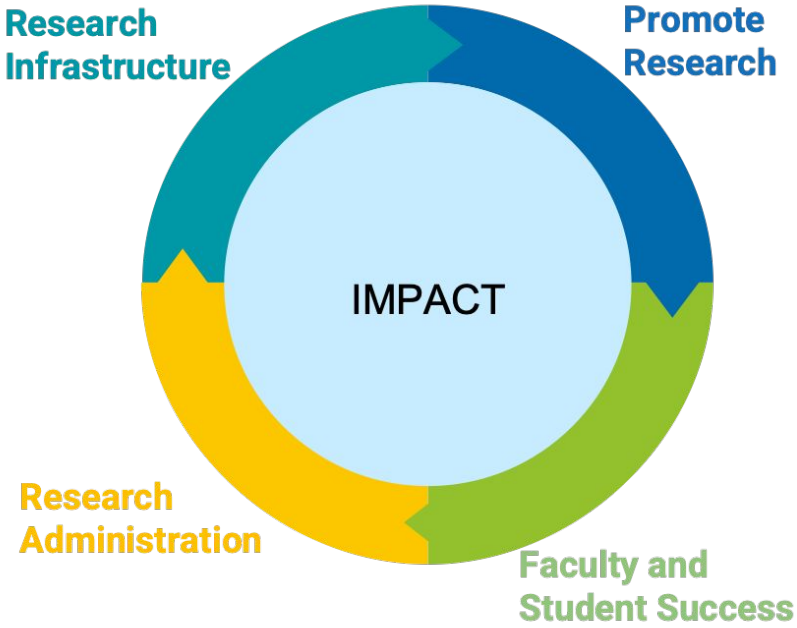
•Provide support that can reduce administrative burden on researchers

Ensure compliance with federal, state and UC policies

•Advocate and partner for functional infrastructure needed to accomplish your research goals (space, instruments, staff)

•Support new ideas and collaborations

•Promote the impact of your work



Research Goals and Timelines

•All have your own pathway to reaching research objectives:

- Hiring students (grad or undergrad), post-docs, research professionals
- Purchasing and travel
- Grant funding (government, private and corporate) - what is the budget you need to support your research?
- Need for internal or external collaborators
- Human or animal subjects research (ORCA)
- Environmental Health and Safety Concerns (EH&S)
- Discipline specific expectation on performances, publications, presentations, funding, exhibits, etc.

OR Research Development Team:

Director of Research Development: vacant

Caitlin Charos Humanities	Karen Ruhleder Engineering	Eva Hrabeta-Robinson Biomedical Sciences	Stephanie Haddad Environmental	Mark Snyder Physical Sciences

*Identification of funding opportunities
*Communication and Collaboration
*Proposal Development and Review
*Strategy and Planning
*Resources and Skills Development
*Coordinate with Other Units

Office of Research Compliance

Human Subjects Research
IRB Chair: Prof. Margarita Azmitia

- *Provide guidance and administrative support to the Institutional Review Board (IRB)*
- *Facilitate reviews of human subjects research studies*
- *Provide regulatory support to the UCSC research community by assisting investigators in navigating federal, state and University policies regarding human subjects research*

Contact: orca@ucsc.edu

Animal Research
IACUC Chair: Prof. David Feldheim

- *The Institutional Animal Care and Use Committee (IACUC) oversees the responsible use of animals in university research and instructional activities.*
- *The IACUC reviews protocols, reviews the animal care and use program, and monitors university animal facilities to ensure compliance with standards and regulatory requirements.*
- *Works with campus attending veterinarian on protocols*

Contact: iacuc@ucsc.edu
Campus veterinarian: mmoriart@ucsc.edu

Starting a Grant Proposal Submission

Start a New Proposal Here:

PROPOSAL INTAKE FORM

- To make the proposal process easier we created this simple online intake form. Just click on the button above and fill out some basic information about your proposal (should take about 5 to 10 minutes).
- After you submit the form, a Cayuse record will be created for you and an OSP Proposal Analyst will guide you through the next steps.
- **If you already created a Cayuse record, just be sure to let your OSP Proposal Analyst know by submitting a new proposal notification using the "Request OSP Services" below.**
