**This justification should be filed with the student's  
Petition for Substitution of General Education Requirement.**

Student name: \_\_\_\_\_

AIS ID #: \_\_\_\_\_ College: \_\_\_\_\_ Date of Request: \_\_\_\_\_

Major: \_\_\_\_\_

Proposed course or course combination (must be upper-division and total 5 credits):

Quarter/year taken: \_\_\_\_\_ (a P or C or better must have been earned)

If the student took a course that is now approved for the DC but the course was not approved at the time that the student took it, please indicate whether the course was revised in order to satisfy the DC minimum requirements.

What are the currently approved ways for students to satisfy the DC for this major?

Describe the disciplinary communication work (25 pages or 6000 words) and how it is relevant to this major. Give information on amount of writing (including drafts), when it occurred in the course, and how feedback was given. At least 18 pages of individual writing must occur. The balance up to 25 pages may be group writing or alternate forms of disciplinary communication. The course must have been completed after the student completed their ELWR, C1, and C2 requirements.

Will the department be submitting this course to be an approved DC option for all students of this major? If not please explain.
